Cotton goods were prohibited in England in 1712.

Jaycee Jottings

By: Ronnie Lewis

The Appomattox County Jaycees held their monthly membership meeting Monday night, Aug. 18, 1969, and in attendance was one of our national directors, Mr. Carl Keplinger, from Powhatan, Va. Mr. Keplinger seemed to be very pleased with the performance of the Appomattox Chapter in this "Year of Community Involvement."

Three of your local Jaycees; Bob Steward, Danny Simpson, and Ronnie Lewis, attended a District II Jaycee meeting in Farmville, Va. August 19. They reported to the club on several new and worthwhile projects that our chapter could undertake in future community development.

The "Jaycee Safety Stop" to be held Labor Day will be located in an area adjacent to the Dairy Queen on Route 460, west. We would like to invite all of you to stop by that day, visit with us and hopefully, purchase a package of our safety flares. These flares will sell for $1.25 for a package of three.

Chairman Earl Agee reported that our "Prayer In School" project was very successful. We wish to thank all of you in our community who helped by promoting this project.

Radio Day chairman Jimmy Ford reported the selling of ads for "Jaycee Radio Day" had been completed with much success. The ads are now in the possession of radio station WFLO in Farmville and hopefully the merchants who purchased ads will be notified in the near future as to the time their ad will be aired.

In addition to the "Jaycees Baseball Grand Slam" contest which will be held September 6, preparations were began for several new projects. Ronnie Lewis will be the chairman for this year's past-years-kick-contest which is co-sponsored by Grinels Ford Motor Co. This is one of our best youth involvement programs and we feel that Mr. John S. Grinels and his staff deserve a great deal of credit for making a program of this value available to the youth of our community.

Our "Halloween Candy Sale" is in the distant future and chairman for this year's event will be Ronnie Coleman. This is one of our money making projects that has become an annual affair in our community.

Don't forget "Jaycee Radio Day" Sunday, August 24 on Radio Station WFLO in Farmville.
